Open since Veterans Day, November 11, 2026.

No login required. No name, no file number, no rating, ever.

Veteran Benefits GPS is free to every Veteran and it always will be.

Veteran Benefits GPS is not the VA and is not affiliated with any government agency. It points you to official sources and to free help from an accredited VSO representative; it does not give advice and does not decide anything. Verify every step at the official page it links to.
